HANNAN PRIVATE PLACEMENT FINANCING OVERSUBSCRIBED AND UPSIZED

Vancouver, Canada – [Hannan Metals Limited](#) (“Hannan” or the “Company”) (TSX.V: HAN) (OTCPK: HANNF) is pleased to announce that the non-brokered private placement financing (the “Offering”) previously announced by the Company on June 4, 2024, is now oversubscribed and, as a result, the Company has upsized the Offering. The Company now proposes to issue up to 10,000,000 units (the “Units”) at a price of C\$0.35 per Unit for gross proceeds of up to C\$3.5 million. Each Unit comprises one common share (a “Share”) and one-half of one common share purchase warrant (a “Warrant”). Each whole Warrant entitles the holder to purchase one additional Share of the Company at an exercise price of C\$0.50 for a period of two years from closing of the Offering. The Company has the right to force conversion of the Warrants, if at any time from and after the date of issuance, the weighted average closing price of the Company’s common shares on the TSX Venture Exchange (the “Exchange”), equals or exceeds C\$0.70 for 20 consecutive trading days. The expiry date of the Warrants will then be 30 days from the date of issue of a news release announcing the forced conversion.

Certain insiders of the Company will participate in the Offering. Finder’s fees may be payable on a portion of the Offering. All securities to be issued pursuant to the Offering will be subject to a four-month hold period under applicable securities laws in Canada. The Offering is subject to certain conditions customary for transactions of this nature, including, but not limited to, the receipt of all necessary approvals, including the approval of the Exchange. The closing of the Offering is expected to occur on or about June 26, 2024.

The Company plans to use the net proceeds to fund exploration expenditures at the Company’s Peruvian and Chilean projects, as well as for general working capital and corporate purposes.

This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or the securities laws of any state of the United States and may not be offered or sold within the United States (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or pursuant to an exemption from such registration requirements.
